

Transparent Label Colour & Size

Label Colours:

Following is an example of Style Print's stock Transparent Label. Text is printed in black.

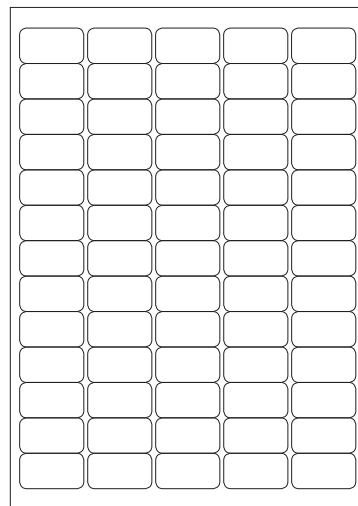

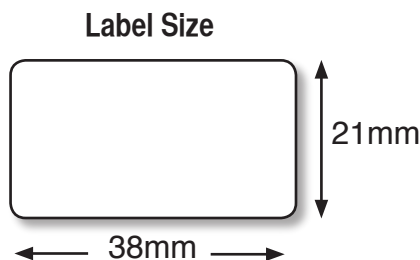

Clear

Please Note: Colours are only an approximation. Computer monitors and desktop printers are generally not able to produce the colours our labels are printed

The sample is a transparent label acting as seal on a coloured envelope.

Label Sizes:

The diagram below is the size of Style Print's Transparent Label.

A4 Sheet of Labels
contain 65 labels
each sheet
